MACHINE TOOLS, CARPENTRY TOOLS, FORESTRY
SAWS, AGRICULTURAL IMPLEMENTS AND
ALL KINDS OF CUTLERY

Former Name: Toa Hardware Export Co., Ltd.

Manufacturers & Exporters

HORIMITSU SANGYO CO., LTD.

"Three Cedars" Brand Cutlery

are produced at Miki Town, famous for the oldest and greatest producing place of CARPENTER'S TOOLS and ALL KINDS OF CUTLERIES in Japan from the ancient times.

THE HORIMITSU SANGYO CO., LTD. anticipated the production of exporting goods and commenced the foreign trade in Miki Town for the first time after investigation of customs and manners of foreign countries.

Our "Three cedars" Brand Cutlery, produced in most applicable and responsible manufacturing process, are now enjoying a high reputation in foreign markets.

It is our greatest pride that we have a long and brilliant tradition and we are able to supply your market with our superior goods.

We are always willing to forward you samples of any goods you may be interested in, and hope we may have the pleasure of serving you.
